Education

G.H. Rasoni College of Engineering and Management, Pune B.Tech in
Computer Science and Engineering (AI) (Nov 2022 - June 2026)

CGPA : 9.05

Relevant Coursework

Object-Oriented Programming (OOP), Software Engineering & Project Management (SEPM), Database Management Systems (DBMS), Data Structures & Algorithms (DSA), Operating Systems (OS), Computer Networks (CN), Machine Learning (Preprocessing & Model Training).

Technical Skills

•Programming Languages:	C, C++, Python(Numpy, Pandas, ETL, Data Processing), JavaScript
•Front-End Development:	HTML, CSS, VueJs(Basic), ReactJS(Basic), Tailwind CSS
•Back-End Development	NodeJS, ExpressJS, ODM(MongoEngine), ORM(SQLAlchemy)
•Databases:	MySQL, PostgreSQL, MongoDB, Firebase (Firestore)
•Version Control & Tools:	Git, GitHub, Excel
•Soft Skills:	Problem Solving, Teamwork, Project Management
•Natural Language:	English, Hindi, Marathi

Experience

SEWELL SOLUTIONS LLP | (Pune) [LINK](#)

Role - Software Developer Trainee | May 2026 - Present

Technology (Working On) - React, Python, Flask, Rest/Fast API's

INCENTIUS PVT LTD | (Pune) [LINK](#)

Role - Solutions Developer | June 2025 - Apr 2026

Technology (Main Worked On) - Vue JS, Quasar, Python, Flask

- Collaborated with clients to gather requirements, provide technical guidance, and ensure project deliverables aligned with business objectives.
- Progressed and maintained dynamic, scalable web applications using VueJs, Python and related frameworks, enhancing functionality and improving user experience scores by 25% (Overall Project).
- Designed, applied, and deployed new features based on client specifications, ensuring seamless integration and optimized performance.
- Managed end-to-end deployment for 3 projects, providing post-deployment support, troubleshooting issues, and delivering customized solutions that improved client satisfaction ratings by 20%.

Projects and Experience

Open Source Contribution Platform [LINK](#)

ReactJS, Tailwind CSS, NodeJS, Firebase

- Developed a platform to streamline open-source contributions (50%) with secure authentication for user access.
- Integrated GitHub API to fetch repositories, track contributions, and manage pull requests efficiently.
- Attached Firestore database to securely store and manage user information.

Green Credit Management System [LINK](#)

ReactJS, Tailwind CSS, Firebase

- Created a web-based system to track real-time location and reward eco-friendly activities.
- Integrated real-time web camera functionality for activity verification (3 stages Verification).
- Implemented secure authentication using ReactJS, Firebase, and Tailwind CSS.

AI-Based Voting System [LINK](#)

Python, NodeJS, React, Tailwind CSS, PostgreSQL

- Enforced image extraction using AI to validate 12 digit Aadhaar Number and Aadhaar card details.
- Optimized PostgreSQL database to detect and prevent duplicate votes.
- Built a seamless voting interface using ReactJS.

Real-time Project Monitoring Tracking System (Ministry of Coal) [LINK](#)

Python, SQLAlchemy, ReactJS, PostgreSQL

- Formed a real-time tracking and monitoring for effective project oversight.
- Integrated APIs for seamless data exchange and secure authentication.
- Built a profile management and messaging system for efficient communication (2-way communication system).

Achievements and Certifications

- **Smart India Hackathon 2024:** Nominated among the top 3 teams at the National level out of 500+ competing teams in a prestigious competition held in Karnataka, Surathkal.
- **HackFest 2024:** Shortlisted among the top 10 teams at the National level out of 100+ competing teams in a prestigious competition held in Tamil Nadu, Coimbatore.
- **Code Vista 5.0:** Chosen among the top 20 participants at the college level out of 990+ participants in a prestigious competition organized by the college department.
- **Leetcode Achievement:** Earned 3 LeetCode badges and solved 130+ problems, showcasing strong Understanding of Data structures and Alogorithm.
- **C Programing Certificate 2021:** Completed at the Institute of Computer Science, Satara, with a grade above 85%.

Hobbies and Interest

Traveling, Exploring New Technologies, Hackathons, Logical Puzzles, Brain Teasers.
